Honor, Integrity, & Commitment

BNX SHIPPING INC., was founded in 1993 with Honor, Integrity, and Commitment as our company's guiding principles. Since then we have experienced tremendous growth and now operate 15 branch offices throughout the United States, Canada, Japan, Vietnam, India, and Germany. Our company is still committed to offering our clients an unparalleled level of service and becoming a worldwide leader in global logistics.

BNX SHIPPING INC., has a global network in place to efficiently meet the unique and ever changing needs of all our clients. Beyond simple logistics services, our capabilities have been expanded to include Production, Transportation, Storage and Distribution, and Sales.

Over the years, we have met all of the challenges we encountered head on with enthusiasm and continue to meet new challenges with that same level of urgency today. We attribute our success to operating the company in this manner and have become a global leader with a strong sense of confidence in being able to meet and exceed all of our client's expectations.

As a company that is trusted by our customers and is recognized as a leader in the industry, we strive to become the model for exceptional customer service in the global logistics industry.

Thank you.
